This standard includes, but is not limited to:

- Honoring and respecting parents' authority and rules
- Honoring and respecting trip leaders' and Youth Pastor's rules and requests
- No illegal conduct, including consuming alcohol or drugs

We don't expect our students to be perfect, but we do expect a level of conduct that honors Christ and represents our church well. Failure to maintain these standards will be handled on a case-by-case basis in cooperation with the parents of the youth to find appropriate actions to be taken.
