

TRIP OVERVIEW

This summer we will be partnering with David Oakley of West Road Church in the town of Bury St. Edmunds.

David Oakley and his team will lead us in various ministry opportunities, from painting to spending quality time with elderly folks. Our mission is to be a blessing to this community and West Road Church.

Although England is a Christian nation, only %5 actually go to church.

If you are not able to attend a meeting, prior approval is required from a leader before the time of the meeting. If more than one meeting is missed, this may jeopardize your spot on the trip and money you have raised. Please make these meetings a priority and communicate dates with family, work, and friends.

Why Training?

Training for this trip is very important. During training we will be opening our lives to see how God will be using us to impact England. Training will give you information on ministering in different cultures, with customs and etiquette that aren't familiar to you. You will also get to know your teammates and find your place on the team. Practical matters will be discussed so that you will be prepared when it is time to depart.
